General No. 2

No. 89

Enclosure No.

Sir

I have the honor to state that two clerks sanctioned in Government Proceedings 7702-4 dated 10th January 1898 Mis 1571 were found insufficient to cope with the clerical work of this office and the services of a third hand Narasimhachar of the Record Department of the Dewans Office

Mides. 1 of 28797

were obtained as a temporary measure
on the 19th January 1898 correspondence
is daily on the increase and it is found
that the work is too heavy even for the
three clerks although they attend office
both in the mornings & evenings.
I need not mention that the utmost
despatch has to be insisted on in matters
of Plague Prevention

2. The preparation & checking of the
Mortuary returns as per instructions
of the British Resident in Mysore (Vide
his letter dated 23rd January 98) & the checking
of the returns of passengers coming from
infected ports & placed under observation
as per printed Circular No $\frac{64}{13-20}$ dated
26.1.98 (para 2) involve additional
work in the office for which the
employment of additional hands is
absolutely necessary

3. In order to relieve the clerks who are
now working under high pressure to
provide for the additional work above
mentioned I consider three more hands
should be employed on the following

Scale of pay

1 clerk on Rs. 40
1 clerk on Rs. 30
1 clerk on Rs. 25

and request the same may be sanctioned at an early date.

I also request sanction to the temporary transfer of Narsunkalkar now working here. He will be one of the three additional clerks for whom sanction has been applied for.

I have the honor to be
Sir
Your most obedient servant

M. Chaubal
Inspector General of Police
in administrative
charge of Plague
Preventive Measures.
